THINGS I WANT TO DO THIS SUMMER

Phillips 66 believes they have a unique and critical role to play in fostering a thriving society. They also believe in living their core values of **safety**, **honor** and **commitment**, while sharing their resources and acting as trusted counselors, collaborators, and problem-solvers. From a Philanthropy perspective, the company believes in helping to create stronger, safer, and more resilient communities.

Phillips 66 recognizes that their employees are the company's strongest connections. They encourage and support involvement and leadership in local non-profit organizations by providing matching gift and employee volunteer grant programs. These programs have benefited the Ponca City community and surrounding communities with hundreds of thousands of dollars each year for many years. Thousands of Phillips 66 employee and retiree volunteer hours are submitted each year and benefit numerous organizations in our community further putting their GOOD ENERGY in to action! Phillips 66 is truly working for the greater good.

Thank you to the Phillips 66 Ponca City Refinery for continuing to invest in Ponca City and in Kay County. Your financial support, volunteer support, employee support, and so much more makes such a tremendous difference and we thank you sincerely for all that you do and provide.

PONCA CITY AVIATION FOUNDATION 2022 SUMMER FLIGHT CAMP

This will be the 18th year for the popular and exciting Northern Oklahoma Flight Academy at the Ponca City Regional Airport. This one week day camp features all things aviation and aerospace for those students going into 6th-12th grades next fall.

The camp for middle school and high school students curious about or interested in aviation or space will be June 20 24, 2022 from 8:30am to 3:00pm at the airport.

The camp for age 14 and older who wish to become a professional pilot will be July 11-15 from 6:00am-3:00pm also at the airport.

The June 20 session is for any student grade 6-12 who is interested in or curious about aviation or aerospace but who is not old enough nor interested in being a professional pilot. They will get an optional airplane ride as a passenger but will not be required to actually pilot the aircraft They will actually pilot a computer aircraft flight simulator and a computer spacecraft simulator, however, just for the fun and experience of it. Field trips and hands-on labs are included. Tuition for these classes are from $125 to $200 depending upon grade level. More info and a paper
application is available at the Ponca City Air port terminal building lobby.

The July 11 session is only for those 14 and older who are interested in becoming a professional pilot. There is a dire pilot shortage right now so this career field has great potential. This session will include ground school and 2 actual flying lessons. Flying will be in the cool of the morning and ground school classes will be in the air conditioning in the afternoon. Tuition for this class is $200. Optional additional flying lessons may be available if time permits.

Space is limited so registration for this very popular camp must be by snail mail for “order of application” purposes and closes soon or when classes fill up. See our Facebook page for details or email or call the contact person.

PONCA CITY BOY SCOUTS & CUB SCOUTS

Overnight Camp June 12 - 18

Day Camp 5/31 - 6/3

For details please contact local units through poncacityscouts.org

Scouting is a world-wide youth movement that operates in almost every free nation of the world. The Boy Scouts of America was founded on February 8, 1910 and chartered by the United States Congress to work in cooperation with other agencies to provide a character education program to America's youth.

Over 300 local councils, like the Cimarron Council, assist local community organizations in providing the program of the Boy Scouts of America. Each council helps chartered organizations in its geographic area to effectively use the Scouting program and to expand the use of the program to other community groups.

The Cimarron Council is Scouting at its finest with a rich heritage of building leadership skills in youth. The Cimarron Council is more than 6,500 youth and numerous volunteer Scouters and adults enjoying and delivering the promise of Scouting in nineteen counties across northwestern and north-central Oklahoma!

The Cimarron Council is a volunteer board of directors committed to seeing the council succeed in delivering the promise of Scouting to the youth in our communities.

The Cimarron Council is professional and support staff, supporting the volunteers of Cimarron Council, and striving daily to deliver the promise of Scouting to the existing members of the Cimarron Council, and to open new doors for the Scouting opportunity to be available and enjoyed by new youth, their families, and other supporters of the Boy Scouts of America and the Cimarron Council.

United Way of Ponca City Expands Literacy Program!!

IMAGINE if every child in **Ponca City, Tonkawa, Newkirk & Kaw City** entered school ready to learn and with a love of reading. In 2019, United Way of Ponca City launched the Dolly Parton's Imagination Library; local children will receive a **FREE** age appropriate book mailed directly to their home until they turn five years old.

By getting on board with Dolly Parton's Imagination Library, the children will be able to lay the tracks for a promising future. "Our gift to your child is free books, your gift to them is the power to read and be ready for school, says Molly Kyler, UW President. Created in 1995 by Parton, the Imagination Library aims to ensure that children have access to books in their homes, regardless of family income, with a specific goal to increase and encourage literacy among children. United Way strongly supports early childhood education so that children will make a successful transition to adulthood. This is done with a focus on improving the quality of early childhood programs and promoting early literacy. Who is eligible? Preschool children ages birth to five who are residents of Ponca City. How do I register? Call the United Way office at 765-2476 and we will register your child. **To read more about the program, go to www.unitedwayponcacity.org** and click on the Imagination Library logo.

United Way of Ponca City's goal is to put a book in every child's hand birth to age five at no cost. With your help we can achieve this goal.

If you would like to help sponsor this literacy program or need more information about United Way, contact Tara Goldman at 765-2476.

P.C. KIDS INC

"If kids have a glove in their hand and cleats on their feet; we're keeping them out of trouble." Founded by Ray Lessert, P.C. Kids Inc, softball and t-ball programs play twice a year at the RecPlex softball fields in Ponca City, Oklahoma. We offer Co-Ed t-ball for 3-5 year olds and girl's softball for 6-14 year olds. Spring season begins the end of March with signups in January and Fall begins in September with signups in July. Youth from Ponca City and many surrounding communities such as Stillwater, Perry, Tonkawa, Fairfax, Marland, Blackwell, Newkirk, Shidler, and Ark City, Kansas come out to our fields to play and learn some of the most fun and competitive recreational softball around. Come out and watch some hardworking kids play one of the most rewarding sports around!
